International journal dealing with the documentation of all aspects of fundamental, physico-chemical and analytical electrochemistry. Bellovesus, a Gallic slave who tends Fabia's family vineyard, was not always a slave. Just a few years ago, he lived a happy life as the son of a rich Gallic vintner and merchant among the Aedui, a Gallic tribe. As they sell their wine along the Arar river, he and his family run into trouble with the Sequani, another Gallic tribe. This trouble sparks a chain of events that will draw Bellovesus into the battle of Magetobriga, and forever change his life...This book is designed for advanced second-, or any third-year Latin student. The story delves deeply into Gallic culture, and gives students a great introduction to the cultures, characters and conflicts they will encounter in Caesar's De Bello Gallico in AP Latin. Several passages from the AP syllabus are adapted for comprehensibility and woven into the text of the story to give students a nice bridge from level 3 to AP. Seconda edizione de "Il mio amico Giulio Cesare. Notizie dalla guerra in Gallia". Nuova copertina, nuovo titolo, qualche modifica migliorativa al testo, due appendici sui Galli e i Germani e sulla Foresta Ercinia ma sostanza inalterata: un ipotetico collaboratore di Cesare racconta gli otto anni di campagna rivolgendosi ai meno informati, ai semplici cittadini, ai giovani, alla plebe. Usa un linguaggio adatto a loro, non ai Senatori che conoscono nel dettaglio gli avvenimenti. In poche parole, si tratta del remake del "De Bello Gallico", scritto in forma

colloquiale, rapida, efficace, con i termini della lingua parlata, come se le straordinarie gesta di Cesare in Gallia fossero raccontate a un vecchio amico al bar sotto casa. Non è il solito libro di storia, è la cronaca della guerra in Gallia, avvincente, scritta senza fronzoli. For at least two centuries after its first appearance in 1573 Hotman's Francogallia influenced the way in which men regarded the European past and appraised the validity of political institutions. The intricate collation of the variorum Latin readings by Professor Giesey here demonstrates that nearly half the complete work consists of material added by Hotman to later editions in such a manner as substantially to modify the argument and balance of the original Francogallia. This definitive Latin edition contains a facing English translation by Professor Salmon, and a joint introduction in which the editors discuss the genesis and development of the text, which can no longer be regarded as written in response to the massacre of St Bartholomew. The editors analyse the discordant elements in Hotman's thought as his Calvinist background, his fundamentalism in both constitutional and religious doctrine and his ambivalent attitude to his profession as an eminent jurist.
